GRAND LODGE

Of the West Virginia Shield of Honor Organization Ends

ITS SESSIONS IN WHEELING.

Grand Lodge Officers for the ensuing year. Year Elected—A. Wheeling Mass. Heads the List—Grafton Chosen for the Place of the Next Grand Lodge Meeting—Reports that Show the Considerable Growth of the Order in this State.

The West Virginia grand lodge, Shield of Honor, reconvened yesterday morning in the Odd Fellows' hall and after transacting important business relative to the conduct of the grand organization, adjourned for dinner, after which it met and elected the following officers for the ensuing year:

Grand Master—August H. Kneke, of Wheeling.
Junior Grand Master—L. C. Hess, of Wheeling.
Recording Secretary—H. J. Fisher, of Wheeling.
Treasurer—Louis Schan, of Wheeling.
Chaplain—Charles Holderman, of Benwood.
Conductor—L. W. Wells, of Grafton.
Inside Guard—Charles M. Folk, of Sheppardstown.
Outside Guard—W. G. Meyer, of Wheeling.
Representatives to the supreme lodge—Dr. J. Fisher and J. A. Wood, after name—Dr. D. E. Taylor and A. B. Hill, all of Wheeling.

After the election of officers, the next business was the selection of the place and time of holding the annual meeting of the grand lodge. Several cities made a hot fight for the honor, but it was finally settled that Grafton should have it on the second Tuesday in May, 1897. This being the last business of importance, the "good of the order" was discussed at length, and each of the delegates present spoke encouragingly of the progress made by the organization in the past year and the good that had been done. Several new lodges in different parts of the state are about to be organized and the statistics show a steady and healthy growth of the order from the date of the institution of the first lodge in West Virginia until the present time. The meeting adjourned sine die last night. The visiting delegates expressed themselves as highly pleased with their treatment during their stay among the Wheeling brethren and regretted that Wheeling couldn't have the session every year.

A Railroad Hoister.

The Pan-Handle railroad has put in a Brown hoisting machine at the lower end of the freight yards on Water street. It is capable of lifting fifteen tons, more than the weight of any single shipment ever received in Wheeling, says Freight Agent Braden. The machine is a beauty and cost the railroad a cool \$2,700. It is used in hoisting heavy castings from the car to road vehicles.

Do Not Do This.

Do not be induced to buy any other if you have made up your mind to take Hood's Sarsaparilla. Remember that Hood's Sarsaparilla cures when all others fail. Do not give up in despair because other medicines have failed to cure you. Take Hood's Sarsaparilla faithfully and you may reasonably expect to be cured.

HOOD'S PILLS are purely vegetable, carefully prepared from the best ingredients. 25c.
